Brief Report

on Education Counseling Conducted by Deogiri Pratishthan Tulsi College of Fashion Design

2023

Introduction

During June and July of 2023, Deogiri Pratishthan Tulsi College of Fashion Design undertook a comprehensive education counseling program targeting junior colleges in several villages near Beed. The program aimed to provide valuable insights into the world of fashion design, helping students understand the vast opportunities it offers.

Objective

- To spread awareness about the various aspects of fashion design.
- To introduce students to the courses offered by Tulsi College of Fashion Design.
- To assist students in making informed career choices in the field of fashion.

Activities Conducted

1. Detailed Course Information Sessions: The faculty provided in-depth information about the different courses available at Tulsi College, including diploma and degree programs.
2. Success Stories Presentation: Alumni success stories were shared to inspire students by showcasing real-life examples of successful careers in fashion design.

Date:

3. Portfolio Preparation Workshop: A special workshop focused on how to prepare a portfolio for admission into fashion design programs was conducted, highlighting the importance of creativity and originality.

4. Student Interaction and Counseling: Dedicated time was allocated for one-on-one counseling where students could discuss their individual aspirations and receive tailored advice.

Villages Covered

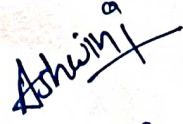

- Dharur
- Kaij
- Wadwani

Conclusion

The 2023 education counseling sessions were met with enthusiasm and appreciation from both students and educators. The sessions not only provided clarity about career paths in fashion design but also encouraged many students to explore their creativity. The interactive approach adopted this year proved highly effective in engaging students.

Brief Report

on Education Counseling Conducted by Deogiri Pratishthan Tulsi College of Fashion Design

2021

Introduction

In June and July 2021, Deogiri Pratishthan Tulsi College of Fashion Design continued its mission of education outreach by conducting counseling sessions in junior colleges across several villages near Beed. The focus was to enlighten students about the potential career opportunities within the fashion industry.

Objective

- To educate students about the fashion design industry.
- To present the academic opportunities available at Tulsi College of Fashion Design.
- To support students in understanding the skill sets required for a successful career in fashion.

Activities Conducted

1. Industry Overview Sessions: Information sessions on the global and local fashion industry trends were provided to help students understand the market dynamics.
2. Interactive Fashion Workshops: Students participated in interactive workshops, including basic draping techniques and color theory, which allowed them to experience aspects of fashion design firsthand.
3. Panel Discussion with Experts: A panel of fashion experts discussed the current trends in the fashion industry and the importance of innovation and sustainability in fashion.

4. Guidance on Career Planning: Personalized career planning sessions helped students align their interests with potential career paths in fashion.

Villages Covered

- Ambajogai
- Shirur Kasar
- Ghatnandur
- Yelambghat
- Kurla

Conclusion

The 2024 education counseling initiative received an overwhelming response, with a significant number of students showing interest in pursuing fashion design. The hands-on workshops and expert panel discussions were particularly appreciated for providing practical insights into the fashion industry. The initiative successfully motivated students to consider fashion design as a rewarding career path.

These reports for each year illustrate the college's consistent efforts to engage with the local community and guide students towards a creative and fulfilling career in fashion design. Each year's activities are tailored to suit the evolving interests and needs of students.

Brief Report on
Education Counseling Conducted by Deogiri Pratishthan Tulsi
College of Fashion Design
2019

Introduction

Deogiri Pratishthan Tulsi College of Fashion Design, Beed, conducted education counseling sessions in various junior colleges in nearby villages of Beed during the months of June and July. The primary objective was to provide guidance and information about career opportunities in the field of fashion design and to encourage students to consider fashion design as a viable career option.

Objective

The main objectives of the counseling sessions were:

1. To create awareness about the field of fashion design and its various career prospects.
2. To provide detailed information about the courses offered by Tulsi College of Fashion Design.
3. To guide students on the admission process and eligibility criteria.
4. To answer any queries students might have regarding a career in fashion design.

Activities Conducted

1. Counseling Sessions: Experienced faculty members from Tulsi College of Fashion Design conducted interactive counseling sessions at the junior colleges. These sessions covered various aspects of fashion design, including the scope of the industry, skills required, and future career opportunities.

Deogiri Pratishthan

Tulsi College of Fashion Design, Beed.

Date:

2. Distribution of Informative Brochures: Brochures detailing the courses offered, faculty profiles, infrastructure facilities, and success stories of alumni were distributed among students to provide them with comprehensive information about the college.

3. One-on-One Interaction: Students were given the opportunity to have one-on-one interactions with the counselors to discuss their specific interests and career goals. Personalized guidance was provided to help them make informed decisions.

4. Presentations and Demonstrations: Visual presentations and demonstrations were conducted to give students a glimpse into the world of fashion design, including design processes, garment construction, and the use of technology in fashion.

Villages Covered

The counseling sessions were conducted in various villages around Beed, including but not limited to:

- Majalgaon
- Parali
- Kedarsangvi
- Devkheda

Conclusion

The education counseling sessions conducted by Deogiri Pratishthan Tulsi College of Fashion Design were well-received by the students and faculty of the junior colleges. The sessions succeeded in creating interest among students about pursuing a career in fashion design and provided them with the necessary information to take the next steps. The college plans to continue these initiatives in the coming years to reach out to more students and inspire them to explore the dynamic field of fashion design.
